Dear Parent or Carer

Please find attached a letter from David Cumberland, the CEO for UCAT, which outlines some important information regarding the Trust.

I understand that you may find this information concerning, but I wanted to write to you personally, to reassure you that both myself and my staff remain fully committed to providing the very best education for your child at this school.

We have come a long way in the past three years and have worked hard to put in place a solid foundation, where your child has access to quality teaching and pastoral support. The close partnership with you as parents/carers and within the community has supported me in moving the Academy forward. Ofsted has also recognised the many positive changes that have taken place and are impacting on our mission to be 'Good' and then 'Outstanding'. I am absolutely confident that whichever trust we move to will only help us continue on that journey.

As ever, I am incredibly proud of the Academy community, which is committed to giving our students the best possible education in an environment where hard work, self-belief and a strong sense of community are rewarded and championed.

If you have any specific concerns, please do not hesitate to contact me personally.

Yours faithfully

Mrs M Barclay
Principal
